

Siblings

Submitted by starryblacknight on 29 January, 2010 - 20:01

Hey bloggers! As you may begin to learn when you read my blogs that I have a brother and a sister. My brother is 17 and my sister is 21. i'm the youngest. My brother and sister have always had that "special connection" and I have always been the "outcast" in the family. What would you do to pass the extra time? Post it, and I will get back to you!
XOXOXOXOXO- Manny

Join a historical re-enactment society. Dark ages, medieval or Romans are best. You'll get new friends, dress up, light fires, run around waving swords at people as well as spend ages becoming an expert in you time period.

It did me the world of good.
