Just wondering...

Have Bob al-Sahaf and Bob al-Fisk ever been seen together?

Ken Starr?

The one on the right looks just like Ken Clinton-Catcher Starr! And you're not trying to tell me that the one on the left is Our Friend The Iraqi Information Minister, are you? Baghdad Bob is much better looking.

I think he should get a job in PR -- for Janeane Garofalo.

DNC

With the tremendous fundraising advantage the Republicans have, so far, in the upcoming election cycle the DNC may well be looking for a new National Chairman. Baghdad Bob would be a great choice.
