We have nothing to add to what has already been said by many **others**. We are at war. It is a war of those who value and celebrate human life against those who worship death.

Go out and be happy.

Re: BLOG-IRAN

We of course wholeheartedly approve of the efforts of Iranians to free themselves from tyranny, and we approve of BlogIran. But we have to blog about what we know, and frankly we do not know enough about the details of the situation in Iran to comment regularly about it. On this subject we are more usually blog readers than writers.

But we are honoured by your invitation and wish you the best of luck in your noble cause.
