

## Peace And Genocide

Nothing expresses the monstrous depravity of today's 'peace movement' better than Nobel Peace Prize winner Mairead Corrigan Maguire's **description** of Israel's nuclear weapons as the gas chambers of Auschwitz, "perfected".

Thus she equates machines whose only purpose was to commit genocide, with machines whose only purpose is to prevent genocide.

Mairead Corrigan Maguire is moral inversion, perfected.

## inversion?

she seems to invert some things (israel's nukes) but not others (hitler gas chambers). or do you think she only attacks the gas chambers (implicitly, b/c she is saying Israel is \*bad\*) b/c it's convenient b/c they are accepted as bad?

## Mairead Corrigan Maguire's comments

Equating nuclear weapons to Hitler's gas chambers??? That is the stupidest thing I have ever read in my life. The gas chambers were torture devices created by many evil people led by a psychotic megalomaniac. How can you compare one to the other?.. and Mairead Corrigan Maguire is a nobel peace prize winner?
