

A Photo-Fisking

Here's a "rare but effective" **photo-fisking** by Michael J. Totten (via **InstaPundit**).

Will Juan Cole respond with the same grace as **Molly Ivins**? Don't count on it.

The Power of anti-fantasies

Apparently the BBC has even been able to produce **a film which proves that all our terrorist nightmares are no more than a fantasy**. And there's more. That fantasy is created by ... a **conspiracy** between neoconservatives and the islam.
